TAKE THE 8-WEEK FOOD WASTE CHALLENGE & CUT COSTS TO YOUR BUSINESS

We understand that controlling costs is vitally important as we begin to get back to business at this challenging time.

That's why we've partnered with Zero Waste Scotland to launch our 8-Week Food Waste Challenge.

The challenge makes it easier and more time efficient to reduce the hidden costs arising from food waste.

Simply sign up and the assessment team at Green Tourism will be on hand to help you every step of the way.

WHY YOU SHOULD TAKE THE CHALLENGE

£215 Million
Yearly cost of food waste to Scottish businesses

1 in 6
Number of meals served that end up going to waste

£1.3 Billion
Equivalent yearly cost of meals being discarded

What's involved?

- Pre-Challenge
- 30-minute 'Get Started' webinar (DATE)
- 10 minute pre-challenge quiz

The 8 Week Challenge – Starting Monday 7 September

- Measure your food waste (it's easy – we'll show you how)
- Receive your food waste analysis & 'Top Tips' to save costs
- Pick from our 'menu' of food waste reduction ideas, catered to your business

Post Challenge

- Receive your results!
- Complete our post-challenge quiz
- Further advice and support is available from Zero Waste Scotland on how you can continue your journey to food waste reduction.

We're here to help you every step of the way and answer any questions – there's never been a better time to cut your food waste costs.

Enhance your next Green Tourism assessment score

Businesses that complete the challenge will receive 5 bonus points towards their next Green Tourism assessment score. If you record food waste you will be awarded 10 points.
